Conference ends

Airmic promotes and supports the planning, undertaking and subsequent recording of Continuous Professional Development (CPD), offering a range of events, resources and other opportunities for professionals to develop.

Claim 50+ CPD hours.

The health, safety and security of all who attend the Airmic Conference 2021 is our top priority. The Conference has been planned and assessed in line with UK government guidance for Covid-19 for "Events and attractions" in England. This guidance may be subject to change from time to time and we will continue to encompass these changes in our arrangements as necessary.
